WHY YOUR SCHOOL NURSE NEEDS NASN

NASN equips school nurses with evidence-based resources, tools, and programs. School communities can be assured that NASN keeps school nurses current with relevant and timely guidance and information to support a safe and engaging school climate.

PROFESSIONAL DEVELOPMENT

- **School Nurse Conferences:** Offered annually in-person and online. \$100 discount on registration.
- **Live Web and Enduring Programs:** \$800 value for 40+ nursing continuing professional development programs (\$20/contact hour)

NO-COST EYECARE & EYEWEAR

\$450 approximated value for services covered

- Eye exam cost: Up to \$194
- Prescription glasses estimated at \$250

VSP Vision™ Eyes of Hope® gift certificate program provides certificates for a no-cost eye exam and, if prescribed, new glasses for students and families who qualify.

NOTE: The values above are the averages that VSP Vision Care uses during open enrollment and aren't adjusted specifically for students and family members whose averages may trend a little lower.

PROFESSIONAL REFERENCES

- Research and Clinical Journal subscriptions
- Online community for peer-to-peer knowledge sharing
- Quarterly Connection e-newsletter

ENROLLMENT PROCEDURE

● Need a quote?

The NASN membership application serves as NASN's official quote.

Locate applications here nasn.org/membership

● Want to pay with a purchase order?

NASN accepts purchase orders. They can be sent to NASN with a membership application form for each school nurse.

Submit to membership@nasn.org

● Does NASN offer group memberships?

NASN does not have a group membership. Memberships can be purchased on behalf of an individual. Schools can pay for one or multiple memberships at once by sending a membership application for each school nurse to NASN.

Submit to membership@nasn.org

“My district is requiring 2 days of PD over the summer . . . I am so grateful for the programs NASN offers!”

~ Kim Herbst

“Thank you so much for the opportunity, especially to be a part of the Eyes of Hope program..”

~ Valerie Paulus

HEALTHY CHILDREN LEARN BETTER

School nurses protect and promote student health, facilitate optimal development, and advance academic success.

NASN's vision is that all students are healthy, safe and ready to learn.

NASN's mission is to optimize student health and learning by advancing the practice of school nursing.
